MONDAY MORNING, NOV. 24, 1878.

THANKSULTING. It will be seen from an advertisemen in another column that Mayor Johnson proclaims the twenty-seventh instant, the day set apart by the President, as a day of the people's money, still he was sound day of thanksgiving and prayer. We hope it will be generally observed. No city in the Union has so much reason the county jail, and to pay a fine of in such features as were necessary Central railroad company to carry the son to be thankful for relief from the epidemic; that our people are again to stored to their industries, and especially modern universal influence of gold, even only ordinances in its present shape. for the unstinted blessings of good fellowship and sympathy showered upon all the multiplied blessings of life.

BOSS TWEED SENTENCED. The man who headed the band of official thieves who brought disgrace on vain attempt to impede justice, receive the reward he deserved, and goes to the penitentiary for twelve years, paying an enormous fine, not, however, large enough to take all his ill-gotten gains He will increase by his presence the cole Jim Fisk. Now, if the authorities exemption from official theft for some time to come. Tweed is in his sixty-

CASH WANTED.

Memphis, of every class, have, notwith- ble. standing the fever and the crash, met all their obligations this month prompt

The acknowledged leader of the Repub-nations, to a formal trial, in which an lican party of West Tennessee, and the representative in congress in the interest fense. Even the outlaw is allowed the of that party, Barbour Lewis had noth-tu common with the APPEAL, which officer of the law who kills was, and is, the friend and advocate of him in celd blood, unless to prethe people of the south as against every vent the commission of an impending political organization hostile in its ten- (clony, is as much a murderer as he who lencies and results to the material inter- lies in wait and slays his victim with ests of that people. But no political malice prepense. The Virginius was be predeliction has ever or can ever inter- pirate. She was an unarmed merchantfere with the estimate which the Ap-real, sets upon the character of a man as exemplified and illustrated by his she sailed; had committed no act of actions. Dealing and differing with Mr. violence against Spanish commerce of Lewis in the past as a politician, we against any Spanish subject, and, there have now to speak of him as a man and fore, the question of piracy goes overcitizen, as evidenced by his conduct board. The next question is, was she during the dark days of pestilence in blockade-runner, and if so, was she this city. These were days to test the thereby subject to capture and to be metal of which a man was made, to treated as a pirate? In answer to this prove the gold or the dross in his character by the crucial test of a terrible, own government during the late war bedeath-dealing affliction. When the tween the States, which treated all perpositionee commenced its ravages in sons found on board blockade-runners whether citizens or foreign subjects, not cal enemy; when it closed we were as pirates, but as prisoners of war. Such ready to take his hand, to forget poli- has been the policy of all christian maties, and to esteem him not only as our lious in like circumstances. A blockadefriend but as the friend of suffering hu-runner, the Virginius, doubtless, was, manity in Memphis, utterly oblivious but as such she was not amenable to the of party feuds and antecedent party bit- law of nations when sailing peacefully terness. To his influence with the gov- on the high seas, under a foreign flag, ernment were the afflicted people of this and by the authority of papers issued by city indebted for the munificent and a foreign government. Under such timely aid of thirty thousand rations circumstances if she were seized, a trial and fifteen hundred dollars in money, according to the law of nations was Besides this, Mr. Lewis gave liberally her right, even before she could from his own private purse to the suffer- be condemned. Such a trial was ing poor, and from the inception to the denied her, and the United States govclose of the plague so energetically ernment is bound in honor to teach and efficiently exerted himself in those who committed the outrage that behalf of our suffering people, and we can and will defend the honor of our so thoroughly and heartily sympathized dag, and the sacredness of international with their distressed condition, that we law violated in the seizure of the Virnave forgotten all about politics, and ginius and the massacre of Santiago de tional rifle association for a shooting-can but esteem Mr. Lewis as a chris- Cuba, "Had our government," says the match with representative Americans, have forgotten all about polities, and ginius and the massacre of Santiago de tian gentleman, with a truly noble New York Times, "been sufficiently barfriend of the people of this city. In rebellion, to have taken an English the English and Scotch champions. such a spirit we welcome him back to crew in a blockade-runner laden with

The trial and sentence to the county demanding reparation. So grave a boats. proofs of the fickleness of fortune, and of the truth of the scripture that "the way of the truth of the scripture that "the way of the transgressor is hard." Few men succeed in amassing as splendid a fortune as the "Boss" has done within the last few years, and let us hope that few employ similar means to accomplish the great ambition of modern times, to with the modern times, the will never any circumstances, permit the union men to control of a sensitive will never, under any circumstances, permit the union men to control of a sensitive will never, under any circumstances, permit the union men to control of a sensitive will never, under any circumstances, permit the union men to control of a sensitive will never any circumstances, permit the union men to control of a sensitive will never any circumstances, permit the union men to control of a sensitive will never any circumstances, permit the union men to control of a sensitive will never any circumstances. New men are completely within the control of a sensitive will never any circumstances, permit the union men to control of a sensitive will never any circumstances. New men are completely within the control of a sensitive will never against the strikers for conspirations were made by several of the newspars against the strikers for conspirations were made by several of the newspars. A number were arrested, and any portion of them spent last night in jail. The newspars are determined that they will never any circumstances and the wrongs of Virginius, the centurion, arose in the newspars are determined that they will never any circumstances. iail for twelve years of William M. accomplish the great ambition of modern times, to-wit: the possession tyrant Applus, who, to gratify his lust, paying full union prices, and getting R. P. DUNCAN. of wealth. The mania for acquiring would violate innocence, and trample along pretty wellriches has cursed our race since Jacob on the rights of the Roman people. The The votaries of the Nanly Art Losing cheated his uncle Laban, by a psychism-bloodthirsty spirit of the Claudii of Saatic device, out of his flocks of sheep bine, still lives in the sanguinary cruelty Arthur Chambers, and Tom Kelley, who and goats, and Rachel stole the golden of the Peniandares, who may, perhaps were arrested last night on requisitions images that were her father's—from the inherit it from that marrow-minded and from Governor Beveridge, of Illinois, for participating in the prize-fight betime Judas betrayed his Lord for thirty bigoted patrician family. Spain, lo her pieces of allver—to the general traffic colonial governments, has proven horself the butcher of christendom. In the wardsville, Madison county, Illinois, to-There have been grasping Shylocks in every age, and the class of whom Midas and Crossus were types is confined to no country, and to no period of history. But it would seem to have been reserved for our own day and generation to produce a whole people who, with midisduce a whole people who, with undis-enthusiastic students, and even fair wo-

H. Brederman & Co. have insti few sanctuaries in the church, the State years before the massacre of Santingo tuted legal proceedings against Daniel or the family circle of this day, safe de Cuba afforded the world the specia. from the influences and corrupting tendencies of silver and gold. In the days of our fathers the fortune-hunter was a celebrates the wholesale murder of unoffending citizens of a foreign power by cotecle, and is the rule rather than the exception. The tenderest relations of social life too often seek inherself, by her own act, without the pale spiration at a metalic shrine, and of modern civilization. We may not spiration at a metalic shrine, and of modern civilization. We may not

tude of the crimicality by which he verdict of this Tweed jury some-city. We believe it to be fully adequate in the number packed over the sar thing worth being thankful for. to meet both the demands of the public A Desmoines dispatch says that if Notwithstanding that he took for his and the exigencies of the case. It has twelve thousand seven hundred and to the adoption of the system for this gratuitously delayed them considerably ceptional case in our theory of the jection; to its becoming one of the n the jury-box. But does not the ex- This objection is a serious one, and will, the jury-box. But does not the ex- This objection is a serious one, and will, ordinary resources of the postoffice of the like we have no doubt, be removed when the partment for the fiscal year ending Ju chools, prove the rule? We fear so; attention of the council is called to it. 13th, were \$22,096,741,

Let us give thanks, hearty thanks, for avouch the fact. What a moral may tion of the board of health, in not be drawn from this trial! Tweed that particular which makes the 240, leaving a deficiency to be appropriately the millionaire is now the con-mayor and chief of police integral priated out of the general treasu viet. With all his opportunities parts of that board. We have, 000 for mail service between San Francisco f doing good, preserving his honor, before now, submitted for public cisco and Japan and China, and while growing rich at the public ex- consideration, the absolute necessity tween the United States and Brazil, and New York and robbed the people of the great city of millions of money, has at last, after years spent in the courts in a yair attempt to impose justice, received years at the passe of Judge of making the board of health a permal between San Francisco and the Sand-money of making the board of health a permal between San Francisco and the Sand-money of making the board of health a permal wich islands. It is stated that counting all railway lines both ways, the mail political influences, and entirely independent of the people of th the powers with which he was clothed, pendent of popular elections. This it daily. Comparing the year 1873 in a manner more wicked, more infamous and more outrageous than any instance of like character which the whole a portion of the board of health, cent, and the increase of amounts history of the civilized world contains." and that body became necessarily, more postages i per cent; increase in number still, let us remember the man, and the or less, under the direction and influthat attaches to Sing Sing as the home of Frank Tainter, the bank robber, age in which he lives. We of the south, ence of the party electing the mayor to postages thereon amounted to Li per of Frank Tainter, the mank rooter, who have been plundered by men of his office, and claiming on that account a cent. A new contract has been executively office, and claiming on that account a cent. A new contract has been executively office, and claiming on that account a cent. father, and of Ned Stokes, who killed class, can well afford to be merciful to voice, and, not infrequently, a very ted with the Pacific Mail steams the convict Boss Tweed, while so many potential one, in the direction of company for an additional month of that class still enjoy their ill-gotten the affairs of his office. The mayor Kong, via Yokohama, authorized by the New York can only secure Containey, gains in peace and security. Men, to has quite enough to do to attend act of June, 1872. The company have amples of them as they have of Boss again quote Judge Davis, who, instead to the legitimate duties of his position, ing been unable to comple Tweed, they may reasonably hope for of protecting the public, plundered it, and making him one of the board of according to contract, the postmaster of protecting the public, plundered it, and making him one of the board of general says no good reason is instead of standing guard when the law bealth, would impose duties upon him called why the company shaded them over the treasury of their which be could not perform, and hence not be permitted to continue acced them over the treasury of the board would be crippled, and persent until new ships are suntry, threw that treasury open not the board would be crippled, and persent until new ships are suntry, threw that treasury open not the board would be crippled, and persent until new ships are He will, therefore, in all likelihood end ins days in prison.

Country, threw that treasity, but also haps diverted from the impartial discharge of its labors. This last objection charge of its labors. This last objection obtains in reference to the chief of popart thereof, but shall receive sea post-

ng on the wall at the Babylonish feast, lice. The duties of that officer are already age only, as heretofore, in full compe ing on the wall at the Babyionish feast, lice. The duties of that other are already stion for the additional service, until should make the plunderers of the onerous enough; besides, the duties of the the contract shall be fully complied We are gind to know, from good and the southern States trem-board of health are purely civil duties, with. The postmaster-general, at son VIRGINIUS. The status of the Virginius at the time over extended to assist the health offias to the future. Our wholesale mer-chants are loud in their praces of them, chants are loud in their prages of them, gality or illegality of her arrest. Was and say that if those of the country will she a pirate, or a blockade runner, lory to place the chief of police on the bring its advantages home to the great only do half as well, they will be able and if either of these, did the character to go to New York in the special she sustained at the time warrant her a permanent and distinct organization; spring in as good condition as capture and the subsequent summary and if you would have it something would not only encourage economy an the business men of any other city in execution of her passengers and crew; better than a mere party-loaf, to be barthe country. Will our country friends A pirate, according to the law of nanot make a note of this and come to our tions, the jure gention is, on the high keep out of it all persons who owe their to utilize and keep in circular not make a note of this and come to our tions, the jure gentar a is, on the high position to elections. Private citizens meuse amounts which are paid out for relief? We hope so. All that Memphis seas, what an "outlaw" is on the land; position to elections. Private citizens meuse amounts which are paid out for relief? We hope so. All that Memphis seas, what an "outlaw" is on the land; position to elections and information—if needs to enable her fully to recuperate one who has committed some felong, of the best culture and information-if from the effects of the past is to receive some offense, such as murder or possible, scientific men by education lity of the government. The postm at once what is due her from those robbery on the high seas, and not and long experience—and physicians of general again urges the whom she supported and upheld during within the territorial jurisdiction of any the widest breadth of professional readthe summer. Come up, then, gentle- nation, and who, at the time of the ing and practice, and of fine practical telegraph. A government postal te the summer. Come up, then, gentle- nation, and who, at the time of the men, with the cash or cotton—come offense was free from lawful authority. and pay what you owe us and so help us Was this the status of the Virginius at open of health. These should be apthe time of her capture? The country pointed by the council, and retain their skill be operated at its minimum cost, and the people will receive the benefit in the low rates of transmission and greating to the city from Washington. We have not been in the babit of poticing the the time of her capture? The country pointed by the council, and retain their is under government management, to the city from Washington. We have American authority, under which her not been in the habit of noticing the papers were issued. But even if she confidently lead for great results and the city may does not seem to exercise the discretion exits or the entrances of Mr. Lewis from exits or the entrances of Mr. Lewis from were a pirate, her flag and foreign of the this city, wherein he has his home.
